John H. Smith

**Position:** Forward (#4) / Center (#5)

**Height:** 6'10"

**Weight:** 235lbs.

I'm a right-handed post player with abilities to play outside of the post. I can hit the three and I can defend outside the box. My greatest assets are blocking shots, rebounding, aggressiveness, and I know how to score, and can run the floor very well in transition. My strongest post moves consist of the -- JUMP HOOK OFF THE GLASS, UP AND UNDER, and BASELINE JUMPER OFF THE GLASS. I have great balance and can use my left hand just as good as my right. I love to work out and I am willing to go the extra mile to succeed.
